Recognition

Membership Recognition: Through our yearlong membership efforts, the Museum strives to achieve the highest possible number of new members and membership donations. Each new member is given a very special gift, and their name or organization is listed on our website. *Just a few simple thank you's for your generous and continued support.*

Why become a member of the Albert Long Museum?

Educational Support: Education is crucial to encouraging a love for our history. Viewing information, pictures and treasures from the past is not only enjoyable, but visitors to the Museum have a richer experience when they understand the background.

Entertainment Opportunities: Members are afforded opportunities to entertain friends, family members, customers, prospective clients, and employees, and to meet with other leaders in the community through events at the Museum. The Museum can open an exhibition for guests after hours or arrange private tours with a host.

For All Ages!

Our Museum programs challenge visitors to witness the world from different perspectives, to learn about our local cultural history, and to express themselves in creative ways. Members help to make learning opportunities possible. Opportunities to stretch the minds, hearts, and souls of people of all ages.
